Supplemental Box

In case the space in any of the preceding boxes is not sufficient.

Continuation of: V

The documents cited in the International Search Report represent the general state of the art.

The invention defined in claims 1-17 is not disclosed by any of these documents.

The cited prior art does not give any indication that would lead a person skilled in the art to the claimed cassette for storing cinema film rolls or to a method of transferring a cinema film roll to a storage cassette or to a rack and a relief trolley intended for cassettes.

Therefore, the claimed invention is not obvious to a person skilled in the art.

Accordingly, the invention defined in claims 1-17 is novel and is considered to involve an inventive step. The invention is industrially applicable.
